The 2005 Cavalier Cross Country team built a strong foundation upon which to grow in the future, winning many meets and improving at both region and state meets! The junior varsity team was comprised of two students

this year, but they've promised to recruit heavily for the 2006 season. The varsity teams are developing depth, with many of the boys running under

19 minutes and many of the girls breaking a 7-minute-mile pace. Coach Chad Barwick hopes to give FPD a run for its money in a few seasons.

Of special note for the season was the performance of Senior Anna Bernal.

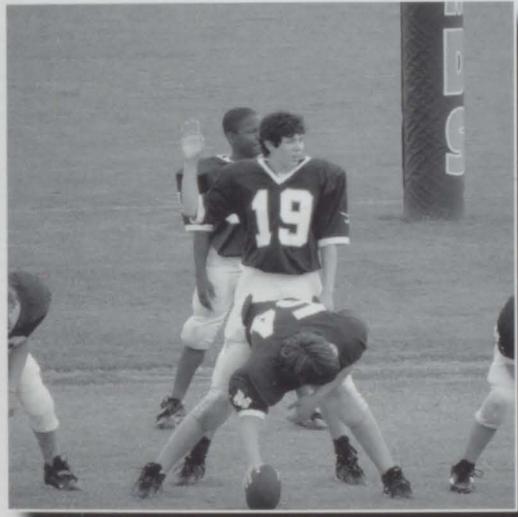

Ms. Bernal won every meet she entered, setting a personal best of 19 minutes flat at George Walton Academy. At most meets, including region, Ms. Bernal was more than a minute ahead of the competition. She easily won the GISA Region II-AAA title.

Captain Matt Tisdale watches his putt fall on the third hole of the sudden-death playoff for the win. Tisdale made All-Region and was always the team's low medalist. Sixth place in state left him only one stroke out of All-State honors. The senior's 74 scoring average helped the 2006 MDS golf team have an exceptional season.

Junior Brad Hinson with signature swing watches his tee shot soar in the tense Westfield tournament.

Lefty Patrick Bartlett drives the ball down the fairway on this shot. The team spent a lot of time together practicing hitting the fairway on their tee-shots.

Sophomore Diamond O'dell leads the class of 2008 in **cheering** before their game.

Senior Mallory Murphy shows her class spirit by sporting the '**06 wings**. Look at that dedication!!!!!!

**Junior vs Sophomores**  
The sophomore girls line up to face the junior girls in a **HEATED** game. The juniors won in a hard fought battle.

fan on the ceiling

The clever little glances she gives can't  
help but be appealing

She loves to ride into town with top down  
feel that warm breeze on her gentle skin  
She is my next of kin

I see a little more of me everyday  
I catch a little more mustache turning gray  
Your mother is the only other woman for me  
Little Miss Magic  
What you gonna be

Sometime I catch her dreaming and wonder where that little  
mind meanders

Is she strolling along the shore or cruising on the broad  
savanna

I know someday she'll learn to make up her own mind  
I know someday she's gonna learn how to fly  
Oh that I won't deny

I catch a little more dialog coming my way  
I see those big brown eyes just start to looking astray  
Your mother's still the only other woman for me  
Little Miss Magic  
what you gonna be

I see a little more of me everyday  
I feel a little more moustache turning gray  
Little Miss Magic what you gonna be  
Little Miss Magic Just can't wait to see

## In Closing

It has always seemed strange to me that in our endless discussions about education so little stress is laid on the pleasure of becoming an educated person, the enormous interest it adds to life. To be able to be caught up into the world of thought -- that is to be educated.

-- "Edith Hamilton"

Another school year has gone by. For graduates it was another part of a journey to adulthood. For the other students from 6th grade to 11th grade, it was one more step in the journey to graduation. One of the biggest remembrances of 2005 - 2006 didn't happen in Macon but affected Macon. Hurricane Katrina laid waste to much of the Mississippi and Louisiana coastline. We met and ministered to students from that area. We took on fundraising for a sister Mercy school in Bay St. Louis to help them return to a normal life knowing that life had changed forever for them. At MDS we are taught to treat others as we would want to be treated and to be motivated by living a more responsible and God-centered life encompassing the values of our Catholic heritage. Our participation in these and other humanitarian efforts gave us the opportunity to put these principles in practice and to enhance our education in service to others.
